Notes on costs:

We have tried to keep our costs to families at a minimum over the last nearly 30 years. As such we have kept the dues low and do not have extra "registration fees" like many other AWANA clubs. During the course of a club year (excluding trips or special events) the following costs can be expected:

- Weekly Dues:..... \$1.25 per week *
- Club Handbook:..... \$8 to \$11 depending on club †
- Club Shirt/Vest..... \$9 to \$15 depending on club †

* Dues go to pay for awards and trophies for the clubbers plus things like game equipment. The first night that your child attends club is free. Two ways have been provided to reduce the burden of dues on families. First, we encourage pre-payment of dues for the year or a quarter by offering a discount on the total cost, as well as a large family discount (half off of dues for any children after the first two). Pre-payment is not required, but is the only way to get the large family discount. (To obtain the large family discount all clubbers must have the same address and guardian.) NOTE: The prepayment discount is only available if full payment is made by the first three nights of the quarter (and if all dues for previous quarters are paid up). Here are the due dates for pre-payment: \$34 for the entire year by Sept 22; \$9 per quarter: 1st quarter by Sept 22, 2nd by Dec 1, 3rd by Feb 16, 4th by April 27.

† The uniform and handbook may only be purchased after completing the entrance booklet for the club that the child is in.
